### Getting started with Payoneer Checkout

Ready to convert more customers and deliver checkout experiences that build loyalty? Register for your Payoneer Checkout account and start selling around the world.

Register for Checkout Configure Checkout plugin

The screenshot shows the WooCommerce Status report page. The left sidebar has 'WooCommerce' selected. The main content area is titled 'Status' with a note: 'You're doing great! 2 steps left to get your store up and running. Continue setup'. It includes tabs for 'Get system report' and 'Understanding the status report'. The 'WordPress environment' section lists various settings with status indicators (green checkmarks or red error icons). The 'Server environment' section also lists settings with status indicators.

Vào **WooCommerce >> Status >> Tools** >> Create default WooCommerce pages >> Create pages

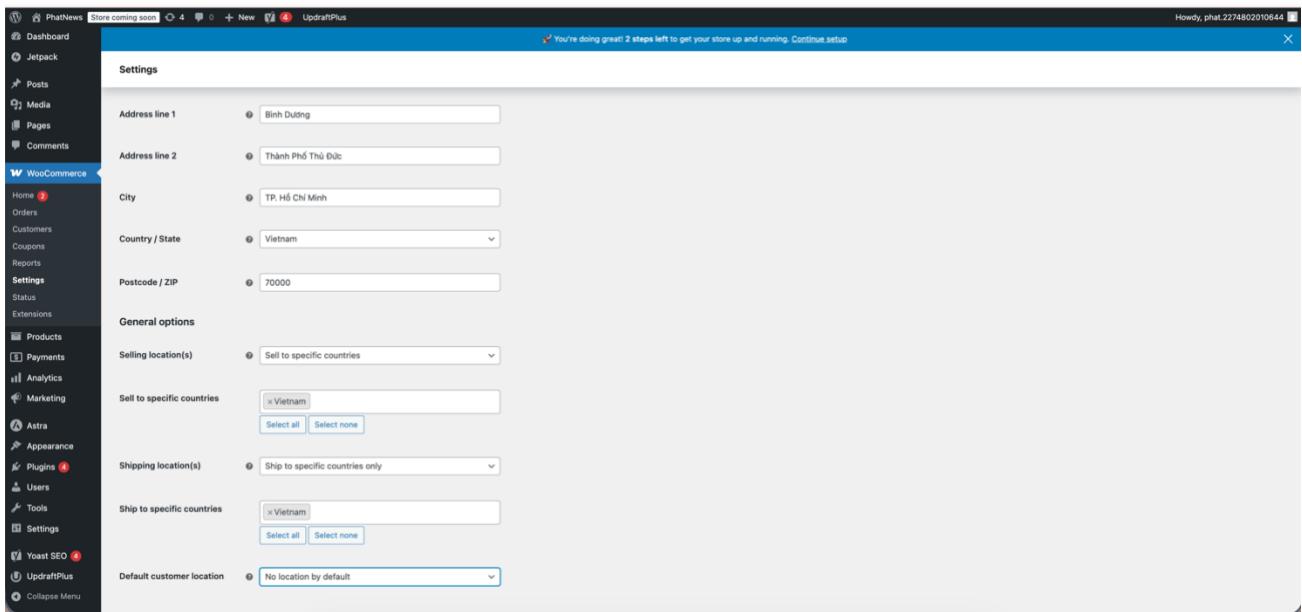

The screenshot shows the WooCommerce Tools page. The left sidebar has 'WooCommerce' selected. The main content area contains several sections with notes and action buttons: 'Clear customer sessions' (Note: This tool will delete all customer session data from the database, including current carts and saved carts in the database. Clear button), 'Clear template cache' (Note: This tool will empty the template cache. Clear button), 'Clear system status theme info cache' (Note: This tool will empty the system status theme info cache. Clear button), 'Create default WooCommerce pages' (Note: This tool will install all the missing WooCommerce pages. Pages already defined and set up will not be replaced. Create pages button), 'Delete WooCommerce tax rates' (Note: This option will delete ALL of your tax rates, use with caution. Action cannot be reversed. Delete tax rates button), 'Regenerate shop thumbnails' (Note: This will regenerate all shop thumbnails to match your theme and/or image settings. Regenerate button), and 'Update database' (Note: This tool will update your WooCommerce database to the latest version. Please ensure you make sufficient backups before proceeding. Update database button).

## 1.2. Thiết lập các thông số cần thiết

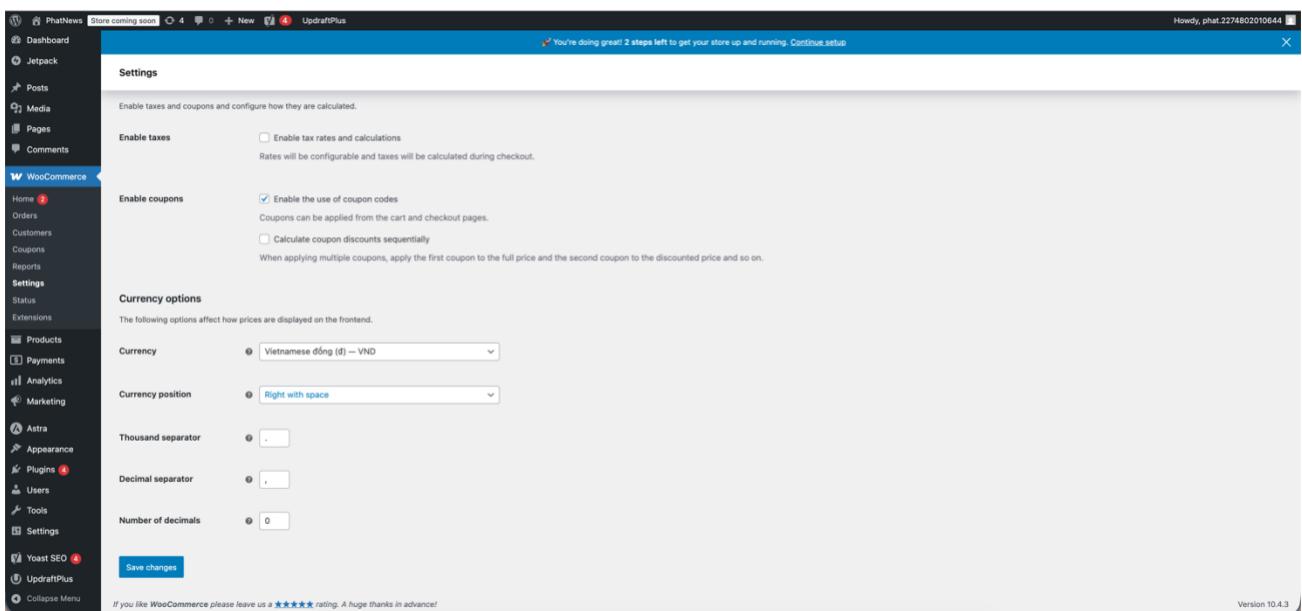

Vào **WooCommerce >> Settings >> General** để thiết lập các thông số cần thiết như:

- Địa chỉ, Thành phố, Postcode / Zip (Tp.HCM là 700000)

Ở tab này, bạn sẽ có thể đổi những cấu hình chung như địa chỉ, tiền tệ, kích hoạt/vô hiệu thuế, hiển thị thông báo cho tất cả khách hàng và hơn nữa.

- Thiết lập khu vực mua bán và giao hàng

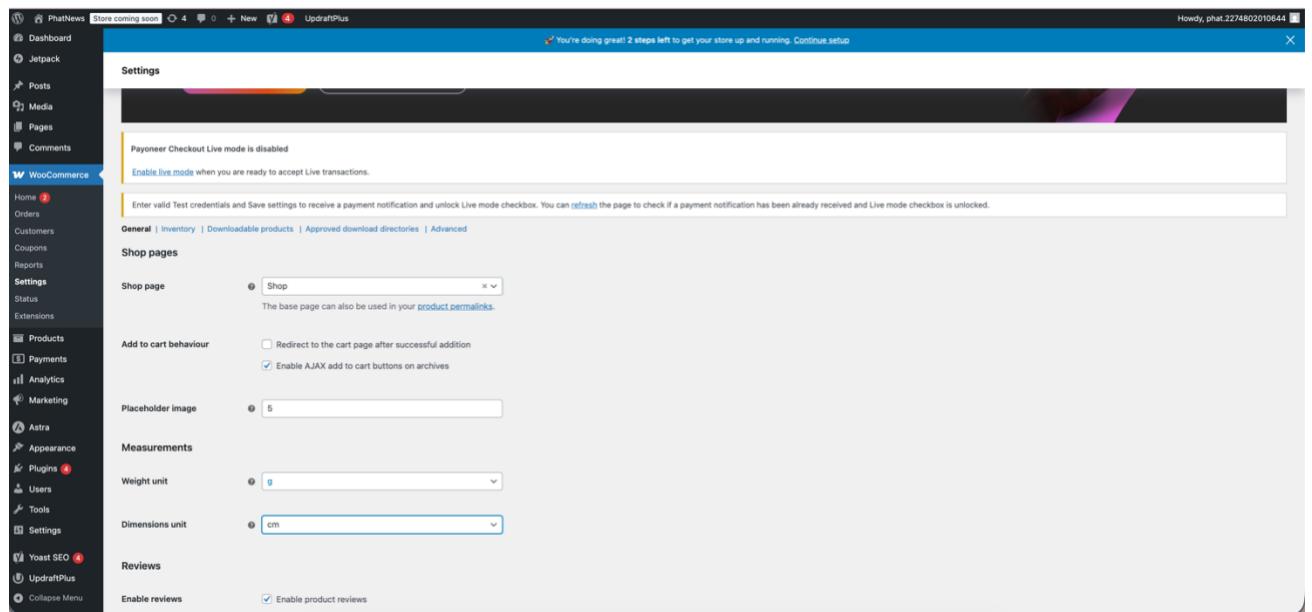

- Thiết lập đơn vị tiền tệ

## 2. Products - Các trang sản phẩm

Bạn có thể thay đổi cài đặt sản phẩm tại đây, như đơn vị đo lượng, kích hoạt/vô hiệu bình luận. Tại trang Display, bạn có thể thay đổi trang mặc định WooCommerce, category mặc định, và kích hướng của một hình sản phẩm. Tại mục Inventory bạn có thể quản lý các tùy chọn mặc định của sản phẩm, kích hoạt/vô hiệu quản lý sản phẩm. Bạn cũng có thể kích hoạt tính năng này để nhận mail thông báo khi một sản phẩm hết hàng. Cấu hình

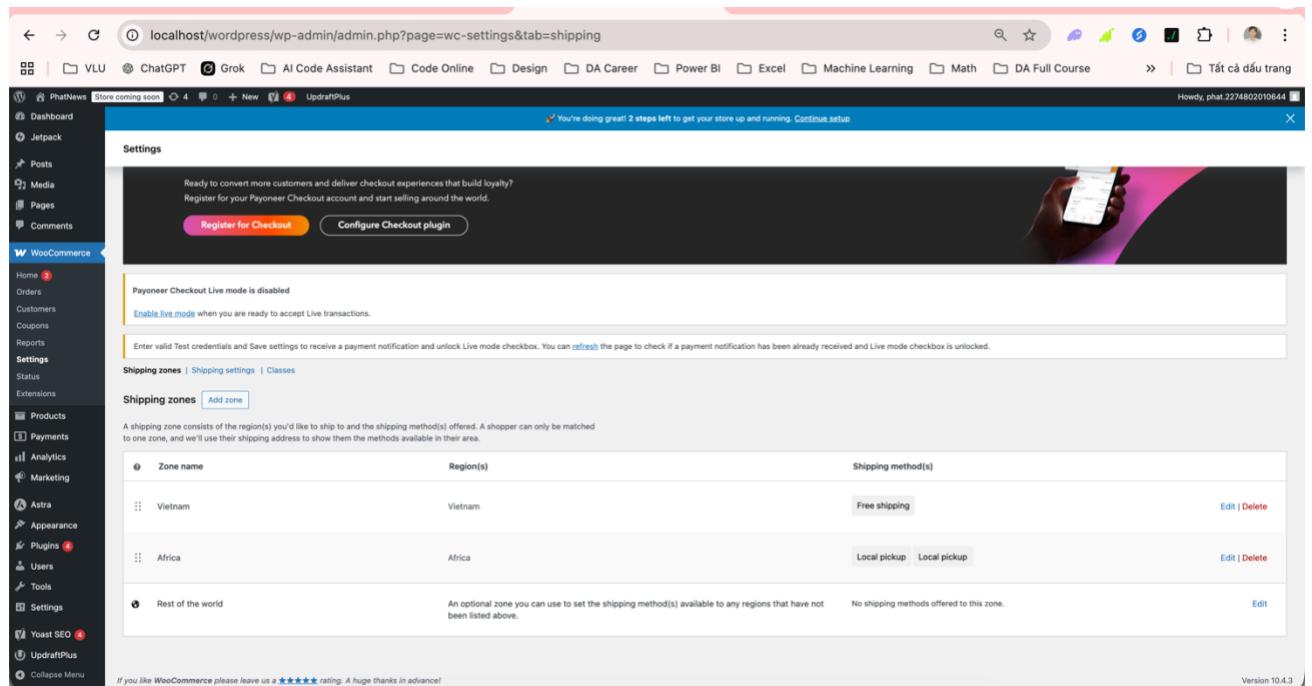

cách thức tải file và giới hạn truy cập nếu bạn bán sản phẩm tải về trong tab Downloadable Products.

The screenshot shows the WooCommerce Settings page in the WordPress admin area. The left sidebar has a 'WooCommerce' section with various tabs like Home, Orders, Customers, etc. The 'Downloadable products' tab is selected. The main content area has a banner saying 'You're doing great! 2 steps left to get your store up and running. Continue setup'. Below it, there's a note about Payoneer Checkout Live mode being disabled and instructions to enable it. It also asks for valid Test credentials and Save settings to receive payment notifications. The 'General' tab is active. Other tabs include Inventory, Downloadable products (which is the current tab), Approved download directories, and Advanced.

## 2.1. Thêm khu vực giao hàng

Ở thanh menu bên trái trong trang quản trị website WordPress, bạn vào Woocommerce => Cài đặt => Chọn tab “Giao hàng” => Chọn Tab “Khu vực giao hàng” => Bấm “Thêm khu vực giao hàng” (Add Shipping Zone). Sau đó chúng ta nhập vào khu vực cần thêm.

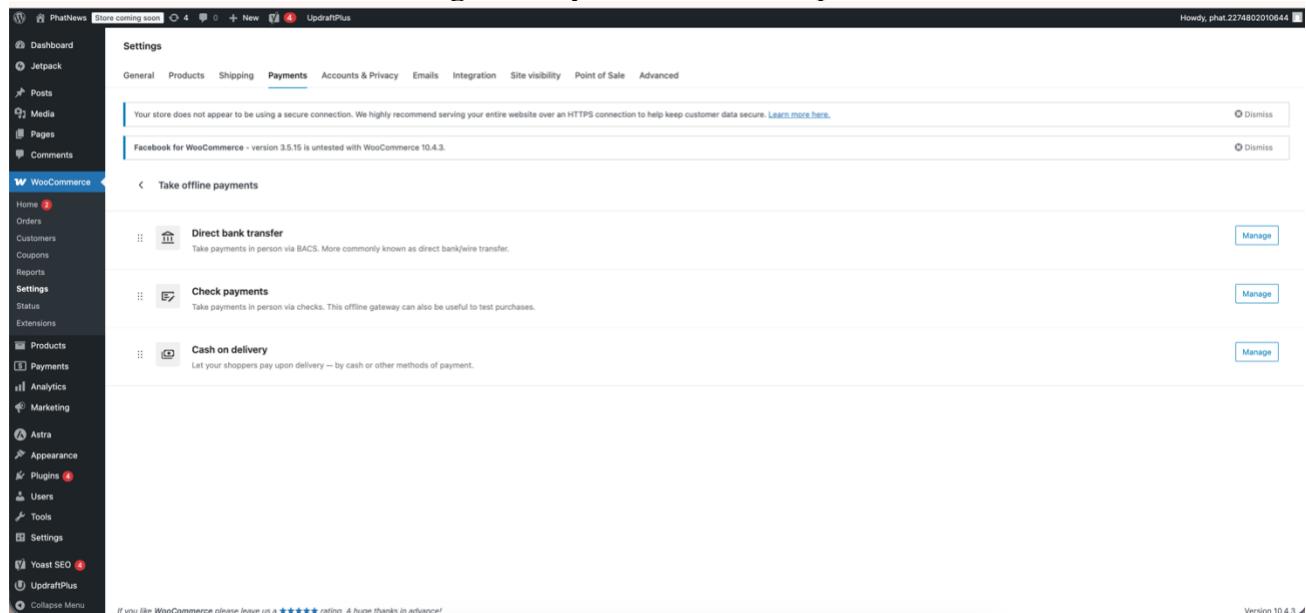

The screenshot shows the WooCommerce Settings page in the WordPress admin area. The left sidebar has a 'WooCommerce' section with various tabs like Home, Orders, Customers, etc. The 'Shipping zones' tab is selected. The main content area has a banner saying 'Ready to convert more customers and deliver checkout experiences that build loyalty? Register for your Payoneer Checkout account and start selling around the world.' with 'Register for Checkout' and 'Configure Checkout plugin' buttons. Below it, there's a note about Payoneer Checkout Live mode being disabled and instructions to enable it. It also asks for valid Test credentials and Save settings to receive payment notifications. The 'Shipping zones' tab is active. Other tabs include Shipping settings and Classes. The table below lists three shipping zones:

Zone name	Region(s)	Shipping method(s)	Action
Vietnam	Vietnam	Free shipping	Edit   Delete
Africa	Africa	Local pickup Local pickup	Edit   Delete
Rest of the world	An optional zone you can use to set the shipping method(s) available to any regions that have not been listed above.	No shipping methods offered to this zone.	Edit

# Thiết lập thanh toán online

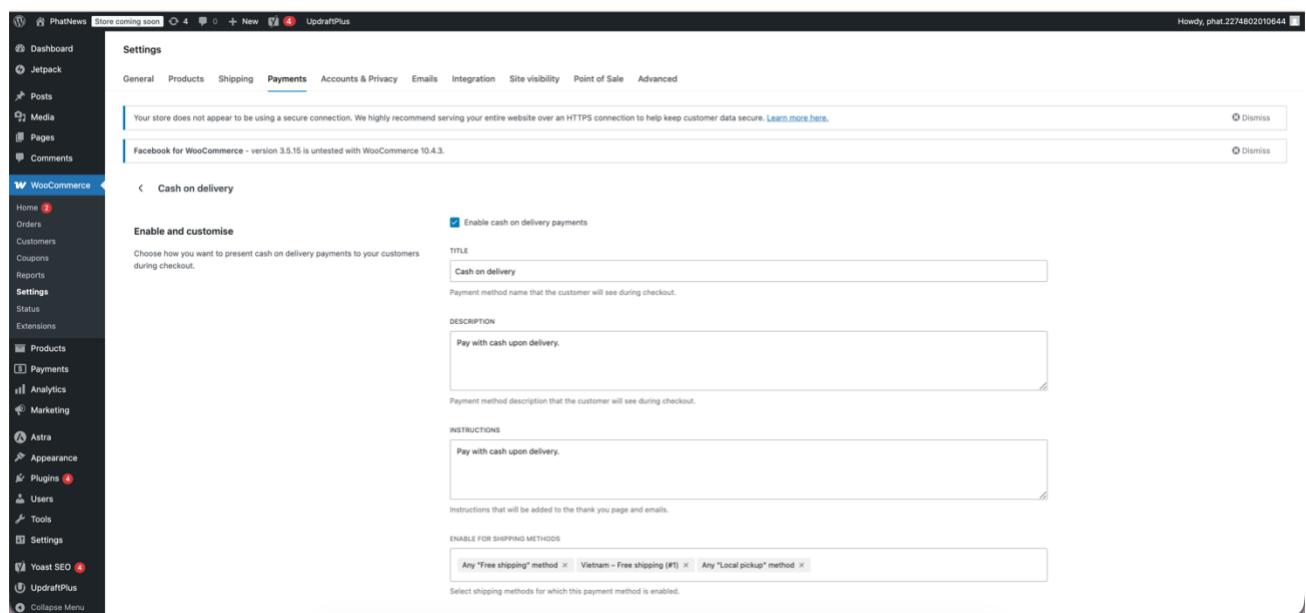

Vào WooCommerce >> Settings >> Payments để thiết lập thanh toán online

The screenshot shows the 'Payments' tab selected in the WooCommerce Settings menu. It lists three offline payment methods:

- Direct bank transfer**: Take payments in person via BACS. More commonly known as direct bank/wire transfer.
- Check payments**: Take payments in person via checks. This offline gateway can also be useful to test purchases.
- Cash on delivery**: Let your shoppers pay upon delivery — by cash or other methods of payment.

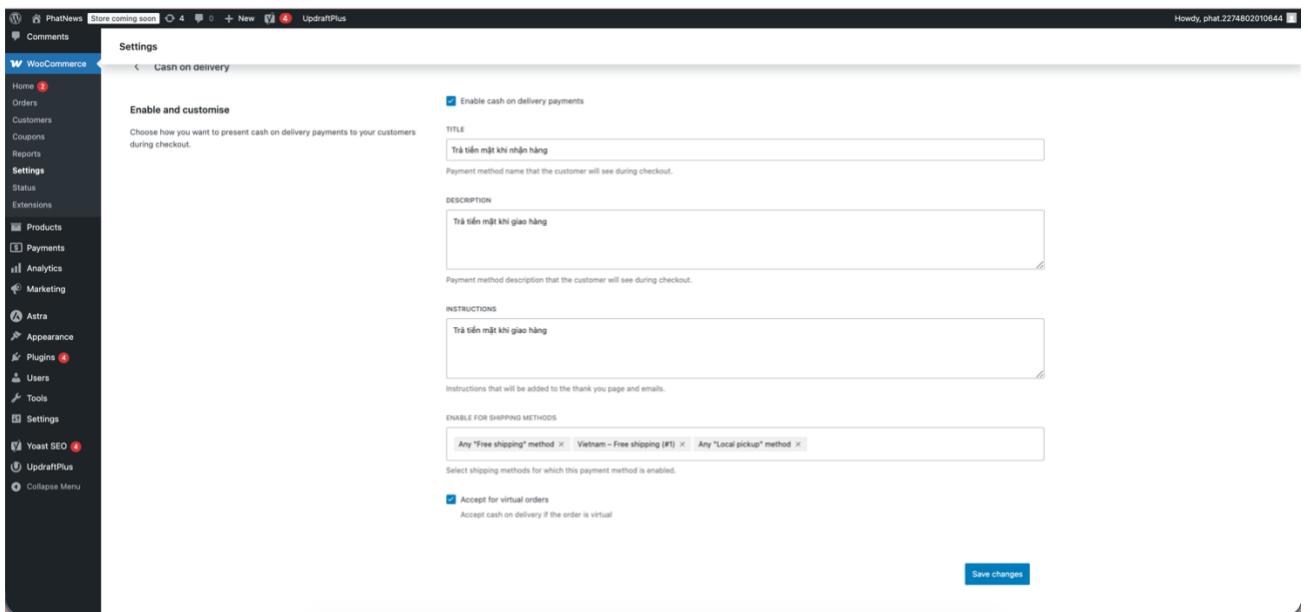

Each method has a 'Manage' button to its right. A note at the bottom encourages users to leave a 5-star rating if they like WooCommerce.

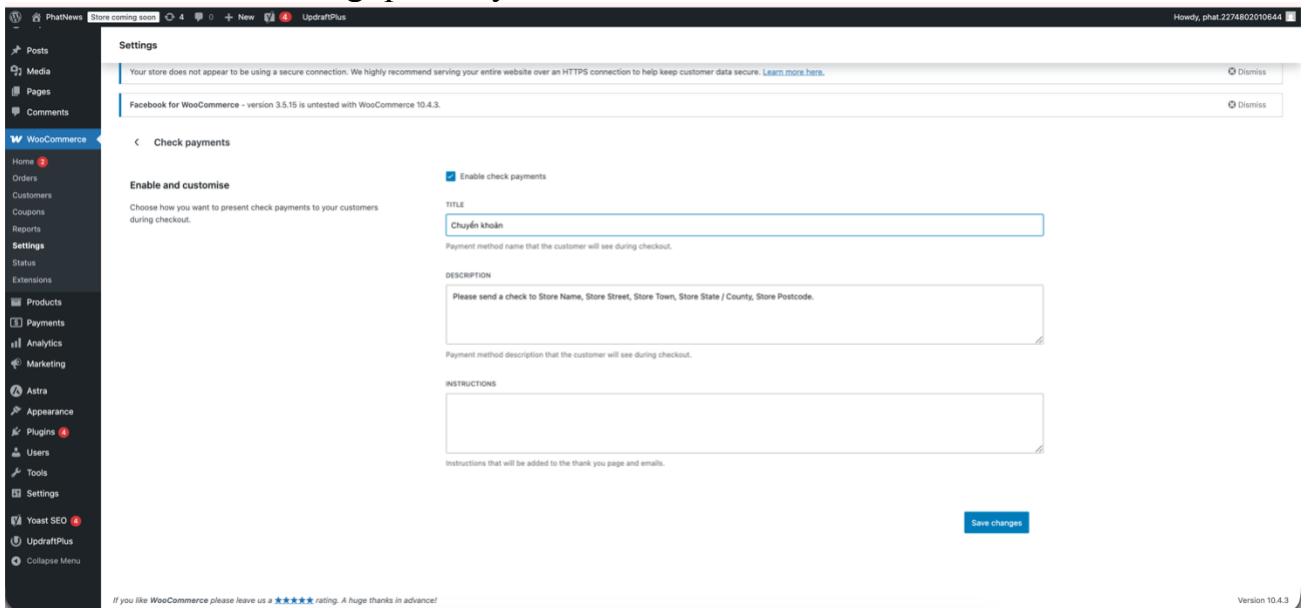

The screenshot shows the 'Cash on delivery' settings page under the 'Payments' tab. It includes the following sections:

- Enable and customise**:
  - A checkbox labeled 'Enable cash on delivery payments' is checked.
  - TITLE**: The title is set to 'Cash on delivery'.
  - DESCRIPTION**: The description is 'Pay with cash upon delivery.'
  - INSTRUCTIONS**: The instructions are 'Pay with cash upon delivery.'
  - ENABLE FOR SHIPPING METHODS**: A dropdown menu shows 'Any "Free shipping" method' selected.

Instructions at the bottom explain that shipping methods for this payment method are selected.

## 2.2. Thanh toán thông qua chuyển khoản

## 3. Tạo đơn hàng và thực hiện thanh toán

## 4. Quản lý đơn hàng
